

Public Service Announcement

The Department of Health & Social Development (DHSD) would like to inform its beneficiaries that effective July 1st, 2006, ground transportation for local clients (Upper Lake Melville) will only be available between 6 am and 10 pm Monday to Friday and 8 am to 4 pm Saturdays and Sundays.

The intent of this service is to provide transportation to and from scheduled appointments. If clients require transportation due to emergencies, they should contact the hospital or an ambulance. The DHSD drivers are not trained to deal with medical emergencies.

The ground transportation service for medical clients from Nunatsiavut will continue to operate on a 24 hour basis.

The Department of Health & Social Development would like to thank all our beneficiaries in the Upper Lake Melville area for their understanding and cooperation.
