**IMPORTANT NOTICE REGARDING**  
**PSSSP DIRECT DEPOSIT FORMS**

Effective immediately, the PSSSP will no longer be accepting the PSSSP Direct Deposit forms, as found in the 2011 Student Handbook. It has come to our attention that, though the banking institution should be filling out the banking portion of the form, many forms are completed by the applicant/student and the banking institutions are not verifying the information. This has resulted in students not receiving their living allowances as the banking information submitted is incorrect.

To address this matter, the PSSSP will now require a print-out from the banking institution of the student's/applicant's direct deposit slip: or a voided cheque with the name and mailing address.

The student/applicant is also required to have a working email address.
