

# Self-Employment Benefits

Through Nunatsiavut Government's Aboriginal Skills & Employment Training Strategy (ASETS), Inuit Pathways offers financial assistance to eligible individuals to help them create jobs for themselves by starting a business.

Unemployed individuals can apply to Inuit Pathways for a pre-determined benefit to provide a salary during the first 6 months of a business start-up. This allows an individual to develop and manage a business venture during the first crucial period without having to avail of an income from the business during the period of the Self-Employment Benefit.

## Application Process

Applicants must be a beneficiary of the Labrador Inuit Land Claims Agreement

Must complete a Self-Employment Benefit Application and submit the following supporting documentation:

- Resume
- Verification of Personal Investment
