CALL FOR TENDERS

CONSTRUCTION SERVICES - NUNATSIAVUT HOME REPAIR PROGRAM 2017

The Nunatsiavut Government intends to provide a home repair program to provide general home repairs to Labrador Inuit residents in the 5 Inuit Communities of Nunatsiavut.

Tenders are to be received no later than 4:00 p.m. on September 29, 2017 at the Nunatsiavut Government offices in Makkovik, Nunatsiavut.

Summary of Scope of Work:

The Nunatsiavut Government has completed assessments of the homes which have applied for repairs to determine the scope of work required. In total **43** homes have been approved for repairs across the 5 Inuit Communities.

Bidders may submit a tender for the work for all of the communities collectively, or for select communities, however bids for select communities must include the work all of the homes identified in a community.

Verification of site dimensions and conditions will be the responsibility of bidders. Bidders must be familiar with general construction methods and all applicable building codes.

Before submitting tenders, interested proponents are required to obtain the full detailed scope of work, instructions and requirements for tenders, and any further information on the project from the Nunatsiavut Government offices in Makkovik:
