Polar Bear Licence applications for 2019

Nunatsiavut Beneficiaries are advised that the 2019 Polar Bear licences for the Labrador Inuit Settlement Area will be issued under a draw system.

Beneficiaries who are interested to have their name entered into the draw for a Polar Bear licence must present themselves at the NG office in their Community within the Labrador Inuit Settlement Area and fill out the applicable form.

The application form must be filled out and submitted to your local Conservation Officer by 12PM on February 1st for your name to be entered into the draw. The 2019 hunting season will open on February 4th.

If you require further information, contact your local NG Conservation Officer.
