## **Moose Aerial Survey in Hopedale**

As a follow-up from the moose session held in November 2020, a survey crew from Happy Valley-Goose Bay will be in the Hopedale area from February 11-28, 2021. All crew members are from Happy Valley Goose Bay with the exception of 1 observer from Hopedale. This crew has been approved to conduct this survey, and all COVID-19 protocols will be followed in-flight. Contact with community members during their stay in Hopedale will be minimized.
