Gas allocations being reduced under COVID-19 Emergency Harvesters Support Program

Beneficiaries of the Labrador Inuit Land Claims Agreement residing within Nunatsiavut are being advised of changes to the allocation of gasoline and snowmobile oil (lube) under the Covid-19 Emergency Harvesters Support Program.

Effective immediately, eligible applicants will receive a total of 50 litres of gas every two weeks, regardless of the size of snowmobile (two or four-stroke). Motor oil will no longer be provided.
