

WE NEED YOU!

Join the Nutrition North Canada Advisory Board

The Government of Canada is seeking individuals willing to be considered as a Board Member for the Nutrition North Canada Advisory Board.

The Board provides information and advice to the Minister of Northern Affairs to help guide the management, direction, and activities of the Nutrition North Canada (NNC) Program. The Board will be actively involved in soliciting input from Program users to ensure northern and community perspectives are heard and considered.

We are particularly interested in having the Board include youth and individuals with diverse backgrounds, perspectives, and experiences.

Applicants must be 18 years of age or older, and must:

- Have a secondary school diploma or higher, or an acceptable combination of education, training and/or experience.
- Have recent extensive experience living in northern and/or isolated Canadian communities.
- Have experience in one or more of the following fields: Indigenous regional/community leadership, public health, northern retail business, distribution and logistics, or transportation. Hunters, trappers and food harvesters are also encouraged to apply.

Board members serve in their own right, not as representatives of a particular organization, area or special interest group. Appointments will be made for three year terms.

This is a voluntary board, but expenses related to Board membership and travel will be reimbursed.

Members will also be given a small honorarium for their participation at face-to-face meetings.

All candidates proposed for appointment or nomination must undergo a federal security clearance, including the provision of fingerprints and a credit check.

Preference may be given to candidates who live in NNC eligible communities or who self-identify as members of one or more of the following groups: youth, women, Indigenous Peoples, persons with disabilities, visible minorities, and members of Hunters and Trappers Organizations or Associations.

If you are interested in serving on the NNC Advisory Board, please send:

- A letter that states your interest in serving as member that clearly lays out your relevant knowledge and experience. Applicants are also encouraged to state their interest in potentially serving as Chairperson or Vice-Chairperson; AND
- A detailed resume that includes your current contact information.

Individuals already seated on the Board are also invited to express their interest in being considered for reappointment.

Please send your letter and resume to: aadnc.nncadvisoryboard.aandc@canada.ca

Application deadline: December 14, 2020
