COVID-19 Food Supplement Program (Upper Lake Melville)

On December 2, 2020, the Nunatsiavut Government announced details of a second round of support initiatives aimed at assisting Beneficiaries of the Labrador Inuit Land Claims deal with impacts associated with the coronavirus COVID-19 pandemic.

The purpose of the *COVID-19 Food Supplement Program* for the Constituency of Upper Lake Melville is to ensure seniors, low-income families and individuals have access to nutritional food (and equipment necessary to prepare food). Adequate nutrition is crucial for maintaining good health and having the ability to fight off infection.

Under this program, the Nunatsiavut Government provides gift cards on a bi-weekly basis for seniors (65 years of age and older) and eligible family units. These gift cards will be available at a store chosen by eligible program recipients. Individuals will be required to provide identification when picking up gift cards, which can only be redeemed at the store chosen by eligible recipients.

Eligible purchases include all food items (including yoghurt tubes and ice cream), with the exception of pop, energy drinks, chips, bars, candy, etc. Dishes, cutlery, food storage containers and laundry detergent are also permitted to be purchased. Ineligible purchases include lottery tickets, tobacco products and alcohol.

Please note that gift cards not picked up within two weeks of being issued will be deemed void.

Eligibility

This program is only available to Beneficiaries of the Labrador Inuit Land Claims Agreement. Applications must be completed in order to be eligible to receive assistance under this program.
