Securing wood from harvesters under Emergency Heat Subsidy Program

The Nunatsiavut Government is looking to purchase wood under the COVID-19 Emergency Heat Subsidy Program.

Wood must be cut into junks and will be inspected by Nunatsiavut conservation officers. One load of wood will be considered a kamutik-box full (approximately eight-feet long). Wood will be purchased at the amounts listed in the table below:

Type of Wood	Community/Amount of one (1) load of wood			
	Makkovik/Rigolet	Postville	Hopedale	Nain
Dry wood:	\$120	\$100	\$150	\$120
Mixed green and dry wood (including black spruce)	\$60	\$50	\$100	\$70

Conservation officers will be at the following locations from 1:30 to 4:30 p.m. to inspect wood:

Nain: Simon Kohlmeister - NG Administration Building

Hopedale: Ian Winters - Assembly Building

Postville: George Gear - NG office Postville

Makkovik: Errol Andersen- NG office Makkovik

Rigolet: David Wolfrey - NG office Rigolet

Harvesters applying to this program are reminded to provide date of birth and proof that they are Beneficiaries of the Labrador Inuit Land Claims.

Harvesters will be instructed where to drop off the wood after inspection.
