(Exciting Opportunity for Youth ages 15-25)

Torngat Photography Program

The Nunatsiavut Department of Language, Culture and Tourism and the Nunatsiavut Group of Companies have collaborated with TekMountain to create a three-year photography program. TekMountain is an organization built, literally, on top of a very successful company, CastleBranch, which is one of the top 10 employment screening and compliance management companies in the country.

We are looking for five youth between the ages of 15-25 within the Labrador Inuit Settlement Area to participate in the Torngat Photography Program. Participants will learn how to properly handle a camera and take photos. Youth interested in participating in the program should be committed and interested in capturing their culture through photography.

This will be a virtual learning opportunity and the tools that are required for the program will be provided to the successful candidates.

Those interested are asked to provide their name, date of birth, mailing address, e-mail address, telephone number, and a reasons why they want to take part in the program.

Please forward expressions of interest to belinda.webb@nunatsiavut.com

DEADLINE to apply is March 24, 2021 at 4:00 p.m. AST
