

Mining Analyst

Location:

Nain, NL

Department:

Lands & Natural Resources

Term:

Permanent Full-Time

Closing Date:

June 15, 2021

Responsibilities:

- Coordinate the internal review process for exploration and quarry Work Plan submissions.
- Implement and enforce the Nunatsiavut Mineral Exploration Standards Regulations.
- Support industry in connecting with Nunatsiavut communities and identifying potential Labrador Inuit Business opportunities.
- Provide advice and expertise on internal, provincial and federal policy and legislation related to mining.
- Liaise with the mineral industry to understand opportunities and barriers to mineral development in Nunatsiavut.
- Participate in upcoming and ongoing mineral related research programs.
- Review and provide technical comments on mining permit applications.
- Other related duties as required.

Qualifications:

- Degree or equivalent experience in geology, natural resource management, environmental science or geography.
- Experience in developing mineral and mining policy, or mature understanding of mineral industry from public and private perspective.
- Excellent interpersonal skills and ability to communicate effectively to government and industry.
- Experience with ESRI ArcMap and knowledge of other geological 3D modeling software.

Contact:

careersonline@nunatsiavut.com

Applications should be forwarded before 4:30pm on closing day.

The Nunatsiavut Government is an equal opportunity employer however preference will be given to beneficiaries of the Labrador Inuit Land Claims Agreement. Applicants are asked to clearly state their Nunatsiavut beneficiary number on their cover letter or resume when applying.
