## Notice to Labrador Inuit ordinarily resident in Labrador outside the Labrador Inuit Settlement Area (LISA) regarding the spring Harvest of Migratory Birds in Area 12-E (Upper Lake Melville)

Under the *Labrador Inuit Land Claims Agreement* Inuit ordinarily resident in Labrador outside the LISA were entitled to hunt Migratory Birds during the springtime in Area 12-E (Upper Lake Melville). This entitlement was in effect for a nine-year period from December 1<sup>st</sup>, 2005 to November 30<sup>th</sup>, 2014.

The Nunatsiavut Government has requested agreement from the federal and provincial governments to amend the Labrador Inuit Land Claim Agreement to reinstate this entitlement. It is not yet known whether or not the other parties will consent to an amendment.

The Nunatsiavut Government wishes to remind Labrador Inuit ordinarily resident in Labrador outside LISA **that they no longer have special rights to harvest Migratory Birds in Area 12-E (Upper Lake Melville).** Beneficiaries will continue to be able to hunt Migratory Birds in this area, but will be subject to the same laws regulating this hunt that apply generally to all residents of the province including open and closed seasons, bag limits, firearms and ammunition restrictions, etc.
