Nunatsiavut Language Strategy Document available to Beneficiaries

Copies of the Nunatsiavut Government's five-year strategy aimed at preserving, promoting and enhancing Labrador Inuttitut is now available to Beneficiaries of the Labrador Inuit Land Claims Agreement.

The 2021-2026 Inuttitut UKâlalluta, ilinniatitsiluta, InosiKalluta! Nunatsiavut Language Strategy provides a framework for projects and investments into language initiatives that are informed by input gathered from the Nunatsiavut Government and Beneficiaries of the Labrador Inuit Land Claims Agreement.

The strategy aims to work closely with Labrador Inuit communities, other Nunatsiavut Government departments, and other Inuit regions to determine best practices to preserve, promote and protect the language.

Upon completion of the strategy in 2026, the Nunatsiavut Government will gather what has been learned and engage Labrador Inuit in planning next steps.
