

## **REQUEST FOR TENDERS**

### **CONCEPT, DESIGN, AND PROJECT MANAGEMENT (DUPLEX HOUSING UNIT IN MAKKOVIK)**

The Nunatsiavut Government is seeking proposals from consultants to design and manage the construction of a duplex housing building in the Inuit community of Makkovik. The Building will be a housing building consisting of two 3-bedroom units for a total of 3000 square feet. The NG intends to begin construction of the Building in the 2022 construction season and completion of the duplex is schedule for September 29, 2023. The successful proponent will provided concept, design and project management services related to the Building.

***Full project details can be found on MERX Canadian Public Tenders at:***
