

Location:

Nunatsiavut (Nain, Hopedale, Postville, Makkovik & Rigolet)/ Happy Valley-Goose Bay

Department:

Finance, Human Resources & Information Technology

Term:

Temporary Full-Time

Closing Date:

August 3, 2023

Responsibilities:

- Coordinate with government and academic partners to obtain and manage historical Inuit data;
- Conduct a data capacity assessment within the NG and a high level scan of Inuit data holdings and data sharing agreements, within NG and external stakeholders
- Manage and coordinate organizational and data related activities;
- Advise on streamlining data collection and analysis procedures.
- Document and maintain the secure storage of Nunatsiavut specific metadata and data where applicable.
- Aid with data requests, coordinate reviews, and develop Data Sharing policies and agreements, where applicable.
- Provide data related summaries and support the development of reports for diverse audiences where applicable.
- Coordinate interdepartmental input into the National Inuit Data Strategy.
- Contribute to the implementation of the National Inuit Strategy on Research in Nunatsiavut
- Ensure that the collection and management of data meets or exceeds regulatory and ethical standards and respects Inuit systems and values including privacy and security.
- Advocate for the consistent production, protection, and sharing of Inuit-specific and Inuit relevant indicators and data;
- Assist with the identification and prioritization of data needs and issues;
- Document methodologies used to collect data and assess data quality, best practices in the collection, storage and dissemination of data
- Support Continuation of the NG Data Framework & Strategy, by supporting the implementation of the policies, protocols and guidelines; including informing staff about their roles and responsibilities.
- Develop Inuit guidelines on data accessibly, ownership and Control (similar to OCAP)
- Develop various plans such as: Data Collection plan, Data Technology Plan, 5 year implementation plan and financial proposal.: will identify new types of data currently not collected or planned to be collected, that would help promote Inuit wellbeing and self-determination
- Draft and produce plain-language data-related briefings, presentations, reports, and other documents.
