

MENTAL HEALTH AND ADDICTIONS SERVICE ACCESS CASE MANAGER

DEPARTMENT: HEALTH & SOCIAL DEVELOPMENT

TERM: PERMANENT FULL-TIME

COMMUNITY: NUNATSIAVUT (NAIN, HOEPDALE, MAKKOVIK,
POSTVILLE, RIGOLET) OR HAPPY VALLEY-GOOSE BAY

CLOSING: APRIL 4, 2024

Responsibilities:

- Assisting various departments within DHSD when mental health client issues arise or issues outside regular processes create the need to problem solve in order to navigate mental health and addictions services and related systems.
- Collaborating with clients, their families and other pertinent professionals to assess the need for services, co-ordinate plans of care for those requiring mental health services, intervention or community reintegration support plans following hospital admissions.
- Facilitate multiple care aspects (case coordination, information sharing, etc...) and setting up case conferences between patients, families, physicians, psychiatrists and other health professionals.
- Developing effective working relationships with various departments (mental health unit, psychiatric services, emergency, inpatient, etc..) within LHC and other health regions throughout the entire case coordination process.
- Providing information and service connections in regards to financial assistance, housing options, community reintegration planning, etc. to ensure best service outcomes, while considering equitable access to social determinants of Inuit Health.
- Coordinating interpreter/translator services for case conferences as required.
- Keeping up to date on information related to mental health and addictions NIHB program coverage and implementing a communications system to keep both internal and external service providers up to date regarding same.

Qualifications:

- Bachelor's Degree in Social Work (Master's Preferred) with a minimum 5 years case management and service navigation experience - preferably in a mental health setting.
- Strong knowledge of the provincial Mental Health Care and Treatment Act (MHCTA) and ability to advocate while considering aspects of the Act.
- Proven ability to work effectively with Indigenous populations – understanding the impacts of colonization, historical trauma in relation to systems barriers and social determinants of Inuit health.
- Strong assessment skills, ability to build rapport/ engage clients, build a trusting relationship and develop individual case plans.
- Ability to work effectively with key partners within various systems (physicians, MH staff, community supports, nursing staff and other health care professionals) to provide effective case management services for clients.
- Ability to demonstrate personal use of stress reduction, time management and healthy living techniques.
- Demonstrated effective written and interpersonal communication skills.
- Ability to multitask and work flexible hours and maintain good organizational skills.
- Ability to work independently and as part of a team.
- Life-long learner, creative, willing to explore innovative ideas and seek out best/promising practices.
- Use of a personal vehicle is required.
- Clear Code of Conduct.
